4. Complete the donor information.
5. If this is NOT a corporate gift, enter "N/A" in the Corporate Gift Company Name box.
6. Enter payment information and complete the transaction.

- **WE MADE IT TO WEEK 2!** The first week of school brought some unusual challenges for us but overall, we count it as a successful week one! Thank you for bearing with us through the kinks! There may have been different challenges this week with the start of college classes, but we are working through those also. Please do not hesitate to reach out to us with questions or concerns.
- Please ensure that all **beginning of the year forms** are turned in immediately. It is important that we have emergency contact information and remain in compliance with district and state policies. This includes the Student Performance Contract.
- Per state law and COL policy, please remind your students to **wear their ID each day**. Students potentially miss instruction time when they need obtain temporary IDs. Furthermore, **students must have their COL IDs to obtain a school meal**. After this week, students without their physical ID card must purchase their meal. This is important for faster, more accurate accounting of meals provided.

**“A new school year means new beginnings, new adventures,
new friendships, and new challenges. The slate is clean
and anything can happen” — Denise Witmer**

FAMILY Fun Night

Welcome to Chain of Lakes Collegiate High School! We are thrilled to extend a warm welcome to all our new students and their families. We invite you to join us to our upcoming "Family Fun Night" event. It's an opportunity for students and families alike to come together, connect with one another, and, most importantly, have fun!
